

Which Dialect? (due Thursday, Aug 29th)

What's your accent? Take the online dialect survey from the [New York Times](#) and find out what region of the US you come from based on the survey. For this assignment you should turn in a one-page report with your answers to the following questions:

1. Where did you grow up?
2. What region did the NY Times survey identify for you?
3. What were five questions that you were asked on the survey and what were your answers to these five questions?
